

WESLEYAN HONORS ACADEMY DUAL CREDIT PROGRAM | 2026-2027

EARN COLLEGE CREDIT

in your high school courses.

Earn college credit now with Wesleyan Honors Academy.

Nebraska Wesleyan's dual credit program, Wesleyan Honors Academy (WHA), is built to help motivated high school students earn college credit in select high school courses. These are a few of the benefits:

Learn from your favorite teachers.

High school teachers accepted as NWU instructors teach a variety of advanced courses that are as rigorous as traditional college courses.

Transfer credits nearly anywhere.

This is Nebraska's only NACEP-CEP accredited dual credit program. The credits you earn will transfer to most U.S. colleges; all credits automatically apply to NWU.

Save time and money.

Honors Academy tuition is just \$95 per credit hour. WHA credits help you earn your college degree faster and have more time for college activities or a second major.

Enjoy NWU perks.

As a WHA student, you have access to NWU's technology and library resources, writing and tutoring assistance, and NWU events. That means free admission to most NWU concerts, theatre productions, and athletic events.

Avoid the stress of AP exams.

WHA courses allow you to earn college credit through your regular coursework—no AP exam required.
