Director Nomination Form Instructions

1. Download the 2027 Middle School Honor Band Nominations.xlsx

2. Complete "School Information" tab.

3. Complete the "Student Information" tab for all your student.

    i. Please organize your pool of nominated students in an overall ranking
    ii. Mark each student as recommended for either Symphonic Band (mostly 7-8 graders) or Concert Band (mostly 6-7 graders). We ask to only submit 6 grade students that would be ready for this experience.
    iii. In the "notes" section, please add whatever information you'd like us to know about this student. Helpful information would include what part they normally play in your program and other musical experiences.
    iv. For your Percussion students, please complete the "percussion notes" field. This makes doing part assignments possible.
    v. The final tab is school name (which seems redundant), however this is very helpful in the spreadsheet processing!

4. Upload your completed nomination spreadsheet here.

Please Submit Nominations by the End of Friday February 5th, 2027.
