NWU Academic Scholarships

Merit-based scholarships and grants will be renewed each year. In general, there is no GPA requirement for renewal, other than making Satisfactory Academic Progress.

If a cumulative GPA is required for renewal, it should be on the financial aid award letter.

Grades will be reviewed at end of spring semester.
Other NWU Aid

Need-based grants and scholarships:
Must complete the FAFSA and continue to have “financial need” in order to receive.

Students must be enrolled full-time (12 or more credit hours) each semester in order to receive NWU financial aid (scholarships and grants).
Outside Scholarships

First-year students usually bring about $400,000 in outside scholarships.

We will credit the student’s account once we actually receive the check.

If we need to write to the donor to help your son/daughter get their outside scholarship, please give us the contact information.
Outside Scholarships

The scholarship will be automatically split 1/2 to each semester. If the donor does not have any restrictions, you can request us to put the entire amount on one semester if you wish.

If the check is made payable to Nebraska Wesleyan, it must run through our office and be credited to the student’s account.
Federal Direct Loans

Need a Master Promissory Note and Entrance Counseling to be completed on https://studentaid.gov/.

First disbursement will be credited to the student’s account by the second week of school.

A notice of when the funds are applied to their student account will be sent by the Business Office via email.
Federal Direct Loans

Interest rate for 2023-24 loans was recently set at 5.50%.

The loan fee for disbursements between October 2023 – September 2024 is 1.057%.
Federal Direct PLUS Loans

Information about this financing option is available on our website at https://www.nebrwesleyan.edu/admissions/financial-aid-office/parents-loan-undergraduate-students-plus.

Can borrow up to the Cost of Attendance less Financial Aid.

This is a credit worthy loan.
DATE: 2023-2024
TO: Parent(s) of NWU Student
FROM: Kerri Olson, Assistant Director of Financial Aid
SUBJ: Federal Parent Loan for Undergraduate Students (PLUS)

The Federal Direct PLUS offers an affordable option for parents to assist their dependent student with the costs of tuition, fees, room, board, books and miscellaneous expenses. The amount borrowed using the PLUS loan may include the yearly cost of an undergraduate education less financial aid (scholarships, grants, loans, and outside scholarships). Eligibility is not based on financial need; it is determined by a federal credit check approval. There is a federal loan origination fee of 4.228% that will reduce the requested amount. However, you may increase the loan amount to cover the fees. The loan disbursements will be sent to Nebraska Wesleyan in two equal installments (half each semester) when you apply for a full academic year loan. Interest begins accruing when the money is applied to the student’s school account. The interest rate for the 2023-2024 academic year is 8.05%. Payment on the PLUS loan begins either 60 days after the loan is fully disbursed or you may request to defer payments until six months after the student, on whose behalf the parent borrowed, ceases to be enrolled on at least a half-time basis, graduates or fails to make satisfactory academic progress. For more information about borrowing limits, repayment plans and interest rates, go to https://studentaid.gov/understand-aid/types/loans/plus.

To apply for the Federal Direct PLUS loan online, go to https://studentaid.gov/plus-app/, click I am a Parent of a student. The loan application is good for 180 days so to avoid any extra credit check, you will want to make sure to apply no earlier than 180 days prior to the beginning of the academic year. Make sure to log in with your parent FSA ID username and FSA ID password when applying. If the parent/stepparent borrower does not have an FSA ID username and password yet, click on Create Account to create one. You will also need to complete a Master Promissory Note (loan agreement) online at https://studentaid.gov.

If you have any questions or need assistance, please contact me at kolson@nebrwesleyan.edu or call 402-465-2166.

Please make sure to include a dollar amount you want to borrow on the application. If you do not, it will default to requesting the maximum amount that you are eligible to borrow. Our office will be electronically notified once you have submitted the forms. Both the application and MPN must be received before we can process your PLUS Loan for the amount you wish to borrow.

ADDITIONAL INFORMATION:
- Make certain the borrower’s and student’s social security number and date of birth are correct
- If parents are separated/divorced, each parent may complete an Application and MPN for the same student
- Room and board charges for residential halls, suites, townhouses and university owned apartments are on included in this package.
- If you believe you will be denied the PLUS loan, contact our office, kolson@nebrwesleyan.edu, and request an application for PLUS pre-approval prior to completing the MPN online.
Federal Direct PLUS Loans

On the application you will be asked how you want a credit balance (overpayment) situation handled.

For 2022-23, we processed around $2.8 million dollars for about 175 students.

Interest rate for 2023-24 will be 8.05%
Loan fee is 4.228%.
