NWU Academic Scholarships

Merit-based scholarships and grants will be renewed each year. In general, there is no GPA requirement for renewal, other than making Satisfactory Academic Progress.

If a cumulative GPA is required for renewal, it should be on the financial aid award letter.

Grades will be reviewed at end of spring semester.

Other NWU Aid

Need-based grants and scholarships:

Must complete the FAFSA and continue to have “financial need” in order to receive.

Students must be enrolled full-time (12 or more credit hours) each semester in order to receive NWU financial aid (scholarships and grants).

Outside Scholarships

Last year, first-year students brought in about \$360,000 in outside scholarships.

We will credit the student's account once we actually receive the check. We can include it as pending financial aid if you supply the Financial Aid Office a copy of the scholarship notice that indicates the donor and amount.

If we need to write to the donor to help your son/daughter get their outside scholarship, please give us the contact information.

Outside Scholarships

The scholarship will be automatically split 1/2 to each semester. If the donor does not have any restrictions, you can request us to put the entire amount on one semester if you wish.

If the check is made payable to Nebraska Wesleyan, it must run through our office and be credited to the student's account.

Federal Direct Loans

Need a Master Promissory Note and Entrance Counseling to be completed on <https://studentaid.gov/>.

First disbursement will be credited to the student's account by the second week of school.

A notice of when the funds are applied to their student account will be sent by the Business Office via email.

Federal Direct Loans

Interest rate for 2026-27 loans was recently set at 6.52%.

The government does assess a loan fee of 1.057%.

Federal Direct PLUS Loans

Information about this financing option is available on our website at

<https://www.nebrwesleyan.edu/admissions/financial-aid-office/parents-loan-undergraduate-students-plus>.

Can borrow up to the Cost of Attendance less Financial Aid, but there is now a \$20,000 per year maximum and a \$65,000 total aggregate loan limit towards the student's undergraduate degree.

This is a credit worthy loan.

Federal Direct PLUS Loans

On the application you will be asked how you want a credit balance (overpayment) situation handled.

For 2025-26, we processed around \$2.2 million dollars for about 135 students.

Interest rate for 2026-27 will be 9.07%

Loan fee is 4.228%.

Private Education Loans

We do not have a Preferred Lender List, but we do provide a historical list of lenders used by our students and parents over the past three academic years on our website at <https://www.nebrwesleyan.edu/admissions/financial-aid-office/private-education-loans-students-and-parents>

On this page is a link to a 3rd-Party application called "FastChoice" which you can use to compare most of the lenders included in the historical list.

Welcome

[Want to designate another payer?](#) ?

If someone other than a student will be making payments or setting up a payment plan, you will need to designate them as an **AUTHORIZED PAYER** in our system.

STEPS TO AUTHORIZE ANOTHER PAYER:

1. The student will need to designate the Authorized Party. Please click on the "WANT TO DESIGNATE ANOTHER PAYER?" link in the top right corner of the page.
2. Once you have completed the required information, an email will be sent to the Authorized Payer with a link to log into the payment system.
3. When the Authorized Payer has accessed the payment system, the Authorized Payer can complete a payment plan or make a payment on the student's behalf.

Payments will now be posted back to the student account when processed with Nelnet.
